

## ENROLMENT AND ORIENTATION POLICY

---

Mandatory – Quality Area 6

### PURPOSE

This policy outlines:

- the criteria for enrolment at Gum Nut Gully Pre-School
- the process to be followed when enrolling a child at Gum Nut Gully Pre-School
- the basis on which places within the programs will be allocated
- procedures for the orientation of new families and children into Gum Nut Gully Pre-School
- processes to ensure compliance with legislative and DET funding requirements in relation to the enrolment of children in early childhood education and care services.

### POLICY STATEMENT

#### 1. VALUES

Gum Nut Gully Pre-School is committed to:

- equal access for all eligible children
- meeting the needs of the local community
- supporting families to meet the requirements for enrolment through the provision of information maintaining confidentiality in relation to all information provided for enrolment
- ensuring all families are welcomed and receive an effective orientation into the service.

#### 2. SCOPE

This policy applies to the Approved Provider, Nominated Supervisor, early childhood teachers, educators, staff and parents/guardians who wish to enrol or have already enrolled their child at Gum Nut Gully Pre-School.

#### 3. BACKGROUND AND LEGISLATION

##### Background

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to enrolment and orientation (Regulation 168(2)(k)).

It is intended that all eligible children (refer to *Definitions*) will have access to one year of kindergarten before commencing school. However, a shortage of places in some areas can limit choices for parents/guardians. Where demand is higher than availability, Approved Providers must adhere to their eligibility and priority access criteria (refer to *Definitions* and *Attachment 1*) policy in order to allocate the available places. The criteria used to determine the allocation of places takes account of the requirements set out in *The Kindergarten Guide* (refer to *Sources*), the service's philosophy, values and beliefs, and the provisions of the *Equal Opportunity Act 2012*. The Victorian Government requires funded organisations to ensure that their policies and procedures promote equal opportunity for all children. Criteria for access and inclusion are outlined in *The Kindergarten Guide* (refer to *Sources*). Services participating in central enrolment schemes are required to comply with the enrolment procedures of that scheme.

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early childhood education and care services which are regulated under the *Education and Care Services National Law Act 2010* have legislative responsibilities under the *Public Health and Wellbeing Act 2008* to only offer a confirmed place in their programs to children with acceptable immunisation documentation (refer to *Definitions*).

## 4. DEFINITIONS

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the *General Definitions* section of this manual.

**Acceptable immunisation documentation:** documentation as defined by the *Immunisation Enrolment Toolkit for early childhood education and care services* as acceptable evidence that a child is fully vaccinated for their age, or is on a recognised catch-up schedule if their child has fallen behind their vaccinations; or has a medical reason not to be vaccinated; or has been assessed as being eligible for a 16 week grace period.

**Authorised nominee:** (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

The National Law and National Regulations do not specify a minimum age limit for an authorised nominee. Each service will need to consider a risk assessment on an individual basis to determine if a person under the age of 18 is able to be an authorised nominee and, if so, what constitutes the minimum acceptable age at that service.

**Children with additional needs:** Children whose development or physical condition requires specialist support or children who may need additional support due to language, cultural or economic circumstances (refer to *Inclusion and Equity Policy*).

**Deferral:** When a child does not attend in the year when they are eligible for a funded kindergarten place, or is officially withdrawn from a service prior to the April data collection. DET considers that this child has not accessed a year of funded kindergarten and is therefore eligible for DET funding in the following year.

**Eligible child:** A child attending an early childhood education and care service as described in the *Immunisation enrolment toolkit for early childhood education and care services* or a child in a kindergarten program who meets the requirements of both *The Kindergarten Guide* and the *Immunisation enrolment toolkit for early childhood education and care services*.

**Enrolment application fee:** A payment to cover administrative costs associated with the processing of a child's enrolment application for a place in a program at the service.

**Enrolment application form:** A form to apply for a place at the service (see *Attachment 3: Sample Enrolment Application Form*).

**Enrolment form:** A form that collects contact details, and personal and medical information from parents/guardians about their child. The information on this form is placed on the child's enrolment record (see below) and is kept confidential by the service.

**Enrolment record:** The collection of documents which contains information on each child as required under the National Regulations (Regulations 160, 161, 162) including the enrolment form; details of any court orders; and immunisation documentation as specified in the *Immunisation Enrolment Toolkit for early childhood education and care services*. Enrolment records are stored securely in the service due to their confidential nature.

**Fee:** A charge for a place within a program at the service.

**Priority of access:** in instances where more eligible children apply for a place at the service than there are places available, the service must allocate spaces using the criteria outlined in *The Kindergarten Guide* (refer to *Sources*) or if in receipt of the CCS, comply with the Commonwealth Government's policy for allocating places.

### ELIGIBILITY AND PRIORITY OF ACCESS CRITERIA

---

#### 1. Eligibility and priority of access criteria for the funded kindergarten program

The following children are eligible for attendance in the funded kindergarten program:

- children who have been granted approval to receive funding for a second year of kindergarten in accordance with *The Kindergarten Guide* available at:  
[www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx](http://www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx)
- children who were eligible to attend in the previous year, but:
  - deferred
  - withdrew from the service prior to the April data collection
- children who turn four years of age by 30 April in the year they will attend kindergarten
- children turning six years of age at kindergarten who have been granted an exemption from school-entry age requirements by the regional office of DET (refer to *The Kindergarten Guide*, available at: <http://www.education.vic.gov.au/childhood/providers/funding/Pages/default.aspx>)
- children who are younger than the eligible age, but whose parents/guardians have submitted an early age entry request for their child to attend school the following year. This written request is to be directed to the regional office of DET, or the non-government school the child will be attending. A copy of the approval must be attached to the kindergarten application. Parents/guardians should note that very few requests are approved by DET. If the child attends kindergarten early, but does not proceed to school in the following year, they will be unable to access a second year of kindergarten unless they are deemed eligible by DET for having recognised developmental needs
- three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection may be eligible for the Early Start Kindergarten program. This scheme provides funding to enable children to attend a kindergarten program that is planned and delivered by an early childhood teacher for a specific number of hours. Details are available at:  
[www.education.vic.gov.au/about/programs/learningdev/pages/earlystartkinder.aspx](http://www.education.vic.gov.au/about/programs/learningdev/pages/earlystartkinder.aspx)

When demand exceeds availability, the Approved Provider will refer to the service's values, philosophy and *Inclusion and Equity Policy* to determine the priority of access. This will include:

- children who have received funding for a second year of kindergarten
- children who were eligible to attend in the previous year but deferred or withdrew from the service prior to the April data collection
- priority of access criteria as outlined in *The Kindergarten Guide* available at:  
[www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx](http://www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx)

#### 2. Eligibility and access criteria for the three-year-old kindergarten program

Children are eligible for attendance in the three-year-old kindergarten program provided they have turned three prior to commencement.

Children will only be able to attend a second year of three-year-old kindergarten in exceptional circumstances (after consideration by the Approved Provider) or when all eligible children on the waiting list have been offered a place.

The Approved Provider must determine eligibility and access criteria applicable to the service. Considerations may include:

- children recommended by an educator for an additional year in the three-year-old program
- date of application – for example, families can enrol for the program when their child has turned two, or applications for the three-year-old program can open at the start of Term 1 in the year prior to commencement
- siblings attending the service
- places allocated by the service for transient families e.g. RAAF, seasonal workers and tourism workers
- local community zoning.

### 3. Allocation within groups

Where the service provides more than one funded kindergarten program or three-year-old program, places within the programs will be allocated to groups by the service in line with the eligibility and priority of access criteria.

- Parental wishes.

#### 2. Offer of places

- Tentative places will be offered in writing to applicants in accordance with the eligibility and priority of access criteria of the service making clear that confirmation of places is not final until immunisation documentation has been received, assessed and found acceptable.

- The documentation is assessed as outlined in the *Immunisation enrolment toolkit for early childhood education and care services* by the person responsible for the enrolment process on behalf of the Approved Provider. The Key Dates work form in the *Immunisation enrolment toolkit for early childhood education and care services* is used to determine the date at which immunisations must be up to date.   - That the child has a medical reason not to be vaccinated, or,

  - Offer of places in the three-year-old program/s and the funded kindergarten program will be made at the same time.

### Enrolment and immunisations

The Government's No Jab No Play laws require all children to be age-appropriately immunised before enrolment can be confirmed.

Parents/guardians offered tentative places will be asked to provide immunisation documentation to Gum Nut Gully Pre-School within 2 weeks of letter of offer that shows that their child's immunisations are up to date for their age or that an exemption applies.

Confirmation of places is finalised after the documentation has been assessed that the child is up to date or that the child is on a recognised catch-up schedule if they have fallen behind with their vaccinations, or that the child has a medical reason not to be vaccinated or that the child has been assessed as being eligible for a 16 week grace period.

Further information on immunisation requirements for enrolment in early childhood services is available on the State Government's [Better Health Channel](https://www.betterhealth.vic.gov.au/campaigns/no-jab-no-play) at [www.betterhealth.vic.gov.au/campaigns/no-jab-no-play](https://www.betterhealth.vic.gov.au/campaigns/no-jab-no-play)

### LETTER FOR PARENTS/GUARDIANS WITHOUT ACCEPTABLE IMMUNISATION DOCUMENTATION

Dear [insert name]

Re: Enrolment at Gum Nut Gully Pre-School for [insert year]

I am contacting you regarding your tentative place for [insert child's name] at Gum Nut Gully Pre-School in the [insert 3 year old or 4 year old program] in [insert year].

Under the *Public Health and Wellbeing Act 2008* early childhood education and care services cannot enrol a child unless the parent/guardian has provided acceptable immunisation documentation.

Acceptable immunisation documentation includes evidence that your child:

- is fully vaccinated for their age
- is on a recognised catch-up schedule
- has a medical reason not to be vaccinated
- has been assessed by our service as being eligible for a 16 week grace period.

As we have not received acceptable immunisation documentation for [insert name of child] by the due date, we are unable to confirm a place at our service for [insert year] and your child's name has been removed from our list.

Immunisation programs are effective in reducing the risk of vaccine preventable diseases. Immunisation from an early age helps protect your child against serious childhood infections. Further information about immunisations for your child is available from:

- your doctor
- Manningham Local Council <http://www.manningham.vic.gov.au/immunisation>
- National Immunisation Information Line Tel. 1800 671 811
- Australian Childhood Immunisation Register Tel 1800 653 809
- Better Health Channel website: <https://www.betterhealth.vic.gov.au/no-jab-no-play>

Should you wish to re-apply for a place for [insert child's name], we are happy to accept a new enrolment application accompanied by acceptable immunisation documentation. The new application would be considered in line with Gum Nut Gully Pre-School's Enrolment and Orientation policy.

Yours sincerely,
